Re: SEIU, Local 2028 v. Rady Children's Hospital -- San Diego
U.S.D.C. Case No. 08 CV 0486 BTM (AJB)

Dear Counsel:

This firm represents Local 2028 in the above matter. As you know, we have an Early Neutral Evaluation Conference set for June 4, 2008.

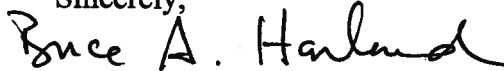

I have reviewed your client's Answer to the Union's Petition to Compel, and notice that it essentially asserts, "as affirmative defenses," the causes of actions in the lawsuit your client brought against Local 2028 and SEIU, UHW. We know what the Court thought of those causes of action, as it imposed Rule 11 sanctions against both of you and ordered that both of you pay Local 2028's and UHW's reasonable attorney's fees and costs.

Before I serve a Rule 11 motion, with respect to your frivolous "affirmative defenses" in this case, I thought I would give you the courtesy of writing this letter and requesting that your client withdraw its frivolous Answer and simply agree to arbitrate the instant dispute. Clearly, your client's defenses are just as frivolous now as when they were pled against the Union in its frivolous lawsuit.

If I do not hear from you within fourteen (14) days of this letter, the Union may authorize me to serve and file yet another Rule 11 motion.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Bruce A. Harland
